SAFETY BRIEFING AT THE BEGINNING OF A TRIP

WELCOME

QUEENSTOWN'S INCREDIBLE SCENERY AND AMAZING RANGE OF ACTIVITY OPTIONS MAKES IT THE PERFECT DESTINATION FOR YOUR GROUP.

At KJet we're passionate about delivering unique Jet boat experiences; let us share our knowledge and ensure you have a memorable time in Queenstown.

Our team will work closely with you, from hosting you on your first site inspection through to delivering an exciting programme for your guests. Our aim is for each and every one of your delegates to experience the excitement of Jet boating and the thrill of seeing our beautiful New Zealand landscape from the water.

We look forward to helping you create an amazing itinerary in Queenstown!

EXPERTS IN OUR FIELD

HEALTH & SAFETY

Safety is of paramount importance to KJet. We aim to ensure that everyone enjoys their experience on the water and we meet the very highest of safety standards.

KJet operates under the national maritime governing body, Maritime New Zealand (MNZ), and undergoes Safe Operational Plan audits and inspections annually as part of MNZ's Certificate of Compliance regulations.

All our drivers require a minimum of 100 hours training and are subject to stringent vetting & licensing procedures.

Our fleet of both single & twin engine Mackcraft Jet Boats have a capacity to hold 140 guests and are specifically designed for maximum performance, safety and passenger comfort.

KJet's MNZ current Certificate of Compliance is available on request.

BESPOKE EXPERIENCES

WE DELIVER THE ULTIMATE EXPERIENCE

We work closely with local caterers and entertainers who set up on-site with us to engage with your guests.

Whether it be drinks and canapés, a BBQ lunch, a cooking master-class, or simply wine and cheese tasting, we can deliver this at our riverside helipad on the Kawarau River.

We're proudly associated with Ned and his team at NZ Haka. They love welcoming guests to Queenstown so let them meet your group on arrival and give them an authentic New Zealand greeting.

OUR HELIPAD ON THE KAWARAU RIVER

WINE TASTING, DRINKS & CANAPÉS

A TRADITIONAL MAORI WELCOME

WHO ARE WE?

We are the world's first commercial Jet boat company (est. 1958), and one of Queenstown's most successful and enduring tourist operations.

KJet revolutionised adventure tourism here in Queenstown. Still locally owned and operated, Shaun and Sally Kelly along with Skeggs Group all take pride in a long-standing tradition of innovation.

UNFORGETTABLE EXPERIENCES IN AND AROUND QUEENSTOWN

STUNNING LOCATIONS

We have access to private areas* along the Kawarau and Shotover Rivers where you can stop and enjoy lunch, wine tasting or an activity like fishing, haka training or clay target shooting.

We can co-ordinate a 4WD or helicopter to pick up your group and transfer them back to town, or to another activity.

*Locations include:

- ✦ Willows Jetty, Frankton Beach
- ✦ Rafters' Put-in, Kawarau River
- ✦ Kawarau Helipad, Kawarau River
- ✦ Tucker Beach, Shotover River
- ✦ Moonlight Country Farm, Kawarau River
- ✦ Mt Nicholas Station

JET BOATING DOWN THE SHOTOVER RIVER

AN AIRPORT TRANSFER WITH KJET

AIRPORT TRANSFERS

What better way to set the scene for your group than to get them off the plane and onto an awaiting Jet boat which will deliver them to their hotel. That'll wake the senses and get a bit of adrenalin into the bloodstream!

We co-ordinate the airport meet & greet and coaches, as well as transfer the luggage to the hotel while guests are being whisked across Lake Wakatipu.

We have the capacity to carry up to 140 guests at one time, with the flexibility to move larger groups on a rotational series, while still retaining the luxury and exclusivity of your own private Jet boats.

TEAM BUILDING

We're delighted to say we work with many fantastic destination management companies who are experts in creating unique team-building activities.

Each programme will be curated to suit your individual group, in keeping with the theme and brand your company stands for.

We work closely with other Queenstown activity operators to make each programme as action-packed as possible.

Team-building adventures are designed to provide your group with a fun full or half day experience combining challenge, action and competition.
