VENUES

Distinction Christchurch Hotel offers three separate on-site conference spaces.

Cathedral North is the perfect venue for training sessions and workshops, with large windows looking over Cathedral Square and lots of natural light.

Next door, Cathedral South is the ideal space for presentations and exhibitions. Both Cathedral North and South can also be combined creating a large, versatile space perfect for banquet dinners.

Finally, we have the Worcester Room which is great for smaller board meetings and interviews with large windows that look over the Christchurch tram tracks and rapidly emerging Cathedral.

Bringing this all together is the Mezzanine Foyer where refreshments can be served; the perfect space to set up your conference registration desk or for evening drinks and canapes – the options are endless with this entire level of the hotel dedicated to conferences and events!
