Waterfall for Two, Please

A great way to cope with impending cooler weather: Make plans to head to New Zealand, where summer awaits and Rotorua's **Treetops Lodge & Estate** introduces an exclusive dining experience for Virtuoso travelers. Guests walk 15 minutes through native forest to a table set for two overlooking **Bridal Veil Falls**. Highlights of the five-course meal – sourced from the 2,500-acre estate's farm and gardens and paired with locally produced wines – include

fresh-caught trout and organic berries with manuka honey. For further culinary immersion at the 12-room lodge, book a guided foraging hike or a gourmet cooking lesson.

DO IT: Doubles from \$575 per person, including breakfast and dinner; Virtuoso travelers receive one gourmet picnic for two. Waterfall dining experience, \$248 for two; available December 1, 2016, through March 31, 2017.
