# Wellington

NORTH ISLAND

Wellington is loved for its dining culture, accessible waterfront, city markets, walking and biking trails, and some of the best coffee and craft beer on the planet.

Celebrated as New Zealand's creative and culinary capital, Wellington is filled with museums, galleries, nature reserves and boasts a vibrant street culture.

One of the world's great food cities, Wellington is home to 750 cafes and restaurants and said to have more bars and restaurants per capita than New York City. Taste your way around the city with a Zest Food Tour.

For wine lovers, the stunning Wairarapa, one of New Zealand's premier wine regions, is just over an hour's drive from Wellington city.

This easily navigated and affordable destination is only a short three-hour flight from the east coast of Australia. And, with an airport just a 15-minute scenic drive from the city centre, Wellington is an ideal short break destination. It is also a must visit hotspot as part of a longer New Zealand itinerary.

## FEATURE COURSES

**ROYAL WELLINGTON GOLF CLUB** is arguably New Zealand's best private members' parkland course. Situated alongside the Hutt River near Silverstream, the charming layout offers an enjoyable and stimulating golfing challenge in a beautiful setting. Founded in 1895, the club enjoys a rich history, which includes hosting the New Zealand Open on six occasions. In 2004, Her Majesty Queen Elizabeth II consented that the club should be known as Royal Wellington Golf Club—the first 'Royal' club in New Zealand.

**PARAPARAUMU BEACH GOLF CLUB** is widely regarded by course reviewers as one of the best links courses in the southern hemisphere. You'll experience golf at its purest on the undulating dune land of the Kapiti Coast. Located just a 45-minute drive from Wellington, the course has hosted the New Zealand Open 12 times. A record unsurpassed by any other club.

## TOP PICKS BEFORE OR AFTER GOLF

The bright red **Wellington Cable Car** is a bit of a classic. For just a few dollars, you can take a short ride from the terminal in the heart of the Lambton Quay shopping district up to the lookout for panoramic views of the city.

Hugged between a stunning harbour and a protected green belt, there's nothing quite like the view from city to sea at the **Mount Victoria Lookout**. You can drive all the way up, or walk the nature trails. Grab some fish and chips to dine on the grass as the sun goes down and the lights come up.

The incredible **Museum of New Zealand Te Papa Tongarewa** is a must see. As well as discovering stories rich in Maori culture, the shared Anzac history is commemorated in monumental scale in the new Gallipoli war exhibition.

**BONUS \*\$100 DRUMMOND GOLF GIFT CARD.**

\*Issued per person based on a min 3-night package with 2 rounds of golf. Must book before Aug 31, 2017.

LAKE TAUPO  
NORTH ISLAND

WAIRAKEI INTERNATIONAL

THE KINLOCH CLUB

## Lake Taupo

NORTH ISLAND

Lake Taupo is centrally located in the middle of the North Island, approximately 3 1/2 hours drive from Auckland and 4 1/2 hours drive from Wellington.

The beautiful Lake Taupo is about the size of Singapore—more of an inland sea really. It was created nearly two thousand years ago by a volcanic eruption. You'll see evidence of the lake's fiery birth in the geysers, steaming craters and boiling mud pools. At some of Lake Taupo's beaches, swimmers and paddlers can enjoy warm, geothermal water currents.

Taupo is a great lake for water-skiing, sailing and kayaking. The Maori rock carvings at Mine Bay, which can only be seen from the water, make for a great boat trip or kayaking excursion.

Lake Taupo is a popular fishing spot. The town of Turangi has the largest natural trout fishery in the world. Turangi also happens to provide a convenient base for exploring Tongariro National Park. The Tongariro Alpine Crossing is New Zealand's most popular day walk. There's also a naturally friendly culture—so why not stay a while?

THE KINLOCH CLUB

WAIRAKEI INTERNATIONAL

### FEATURE COURSES

**THE KINLOCH CLUB** is the only Jack Nicklaus Signature Golf Course built in New Zealand. The superb layout is positioned between panoramic views of Lake Taupo and the natural beauty of rugged rural farmland. Ranked as New Zealand's number one golf course in 2014 by a select team of New Zealand Golf Professionals, The Kinloch Club is often compared to the classic links courses in Scotland and Ireland.

**WAIRAKEI INTERNATIONAL GOLF COURSE** is 18 testing holes of exceptional beauty. Officially opened in 1970, the course lies on 180 hectares of native flora and fauna. Listen to the cacophony of birdlife, the meandering streams and the delightful waterfalls as you navigate the sprawling golf course that uses natural contours to the fullest. The natural beauty and sheer experience of the property makes Wairakei a must for both serious and casual golfers.

### TOP PICKS BEFORE OR AFTER GOLF

The roar and rumble of the **Huka Falls** is mind blowing. It's where New Zealand's longest river, the Waikato, is squeezed through a ravine of hard volcanic rock—the result is 220,000 litres of water blasting by every second. View the falls from a footbridge right at the very top, or get up close with a jet boat ride.

Home to a wealth of thermal attractions and cultural experiences, the **Wairakei Terraces** offers something for everyone. Soak in naturally heated geothermal pools below ancient silica terraces. Enjoy a guided geothermal tour of the Wairakei steam field.

Lake Taupo's free-draining volcanic soil and pure alpine water means that the wines and craft beers from this region are as distinctive as they are delicious. Discover them for yourself with a **wine and craft beer tour**.
