THE KINLOCH CLUB NZ

PHOTOS Des Frith

Golf at the Jack Nicklaus-designed Kinloch Club is often compared to playing the classic links courses in Scotland and Ireland. But instead of traditional sea views, this world-class championship course offers a panorama that includes Lake Taupo and rolling farmland. The only Jack Nicklaus Signature golf course in New Zealand, The Kinloch Club has been called New Zealand's number-one golf course by a select team of New Zealand golf professionals, while readers of *Travel + Leisure Golf* magazine voted it among the top 10 new golf courses in the world soon after its opening.

Facilities and services include a grass tee practice area/range, putting and chipping green, golf shop, electric carts, hire clubs and trundlers, on-course PGA golf professionals and a clubhouse with restaurant and licenced bar.

The Lodge at Kinloch completes the luxury golf resort experience. The Lodge features one-bedroom junior suites and luxurious one and two-bedroom villas in a landscaped setting with views over the course to the lake.

A world-class restaurant wherever possible uses produce reared from the private 2,000ha owner's estate, matched with New Zealand and world wines. The resort also has an Organics Spa specialising in sporting, therapeutic and organic wellness treatments. Numerous non-golf activities are also available in the Taupo area.
