

SEA CHANGE VILLAS

Rarotonga

Situated on the peaceful southern coast of Rarotonga, providing the utmost in comfort, décor and ambience, is the charming Sea Change Villas.

The property offers 14 very modern and luxuriously designed villas as well as two private dayrooms. Room types range from the elegant Lagoon View Villas to the absolute Beachfront Villas, with the option of either a 1, 2 or 3 bedroom villa.

All villas have air-conditioning and ceiling fans, surround sound home entertainment units, flat screen and satellite TVs, in-room safes, Wi-Fi capability, full designer kitchens, private fresh water swimming pools and a private decked courtyard. They also have portable speakers available for guests to borrow from the office should they wish to use during their stay. Dayrooms come equipped with a queen bed, kitchenette, flat screen TV, and a full bathroom.

The Beachfront Villas are situated along a secluded coastline of white sandy beach just across the road from the other villas. These rooms come in one or two bedrooms. They are completely private and situated to provide uninterrupted views of the lagoon from both sleeping and living areas as well as direct access to the beach from the front deck. A great option for couples on honeymoon.

Nestled amongst lush tropical gardens are the Lagoon View Villas which take in views of the lagoon from their front veranda and lovely mountain views from the rear deck and pool area. They come in one or two bedrooms and are less than a minutes walk to the crystal clear waters of the lagoon.

The Lagoon View Executive Villas are set just behind the Lagoon View Villas and furthest back from the beach. They are privately nestled in tropical gardens with a lovely green backdrop. These two-story villas come in two or three bedrooms with 2 ensuite bathrooms. They are incredibly spacious and have the added luxury of their own games room and in-suite laundry. Perfect option for teenage families or couples travelling together.

Sea Change Villas has so much to offer for a complete and relaxing holiday in the Cook Islands - spacious rooms, full self-catering facilities and on-call professional managers who are available to assist whenever you need.
