

AITUTAKI LAGOON PRIVATE ISLAND RESORT

Aitutaki

Nestled on its own private island, Motu Akitua, and surrounded by lush tropical scenery and panoramic views of Aitutaki's turquoise lagoon, lies Aitutaki Lagoon Private Island Resort. This idyllic retreat offers a unique blend of seclusion, luxury, and natural beauty, making it the perfect destination for a romantic escape.

The resort features 33 well-appointed, stand-alone bungalows, available in six Polynesian-inspired accommodation categories. Guests can choose from Beachfront Bungalows, Deluxe Beachfront Bungalows, Premium Beachfront Bungalows, the exclusive Overwater Bungalows, the exotic Royal Honeymoon Pool Villa—Princess Te Arau—or the newly built Beachfront Private Infinity Pool Villas. Each bungalow is air-conditioned and includes a private bathroom, Polynesian-style outdoor shower, satellite flat-screen TV, mini-fridge, tea and coffee-making facilities, an in-room safe, and a private balcony furnished with sun loungers for ultimate relaxation.

The Beachfront Bungalows are situated on the sunset side of the island, offering picturesque views of the O'otu (Full Moon) Channel. Deluxe Beachfront Bungalows sit along a white sandy beach with sweeping lagoon views, while the Premium Beachfront Bungalows are positioned on the champagne sands of Sunset Beach, just steps away from hammocks strung beneath the palms.

The newly introduced Beachfront Private Infinity Pool Villas are designed for couples seeking privacy and seclusion. Each villa offers expansive living and dining areas that open directly onto a private deck, complete with an infinity pool overlooking the glistening lagoon.

The Overwater Bungalows are the only ones of their kind in the Cook Islands, ideal for couples dreaming of a romantic overwater experience. Perched along the island's coastline, they provide uninterrupted views of the lagoon and direct access to its warm waters via a small ladder leading from the lower balcony deck.

For couples seeking a luxury romantic getaway, the Royal Honeymoon Pool Villa (Princess Te Arau) is the only villa at the resort that offers its own private swimming pool with a pool pavilion and open-air spa bath. The villa has been designed with romance in mind and has been lovingly created using locally-milled mahogany, wild hibiscus wood and hand-collected corals from the beach. It is situated in its own private tropical garden enclave to allow for maximum privacy and relaxation.

Culinary experiences are centered around the Flying Boat Beach Bar & Grill, located on the edge of the waterfront. Here, guests can enjoy gourmet beachside dining with stunning views, where fresh local seafood, tropical fruits, and island-grown vegetables are transformed into mouthwatering Pacific-inspired dishes.

Guests can take advantage of a range of resort facilities and activities including resort-wide Wi-Fi, two restaurants and two bars, a swimming pool, day spa with Jacuzzi and sauna, gift shop, tour desk, guest laundry, air-conditioned gym, games area, activities beach hut, and beach loungers and hammocks on the resort's private beach.

Aitutaki Lagoon Private Island Resort is not only a favourite for honeymooners but also an enchanting choice for couples looking to host a memorable sunset beach wedding on their very own private island.
