

AITUTAKI ADVENTURES

Aitutaki

A visit to Aitutaki is a must do for every visitor to the Cook Islands. Aitutaki's best feature is its magnificent lagoon, so why not experience this on a lagoon cruise with Aitutaki Adventures.

It is the perfect way to compliment your holiday. The Aitutaki lagoon, world famous for its expansive turquoise waters where snorkelling is optimal and marine life plentiful, is well known and has been featured on reality television shows such as Survivor and Shipwrecked. Captain Puna will be your skipper and tour guide for the day.

Tours operate from Sunday to Friday and is one of only two tour operators on the island that operate on Sunday's.

Experience a full day cruise with plenty of snorkelling opportunities and chances to hand feed schools of tropical fish, you will even get to see giant clams up close. Chilled water and fresh tropical fruit is provided throughout the day as well as snorkelling gear and towels. A mouth-watering barbeque is prepared whilst you are enjoying the lagoon and is served on arrival to One Foot Island.

The perfect way to top off a great day of sand, sea and sun.
