

THE COOKS OASIS HOLIDAY VILLAS

Rarotonga

The Cooks Oasis Holiday Villas are located on the western side of the island of Rarotonga, and is within walking distance to few of the many restaurants situated in the village of Arorangi.

There are 8 self-catering Villas, each containing a well-equipped kitchenette including electric hob, microwave oven, and fridge, ceiling fans and more with the option for air conditioning (excluding the Studio Villa) also available at an extra cost.

The Villas are well furnished with fresh tropical décor and have stunning views of the tropical gardens, and or the mystic mountains. The 2 Bedroom Villa has views to the ocean from the large deck and has a full kitchen including a dishwasher.

A great feature here is the on-site fresh water cool-off pool with sun lounges alongside, perfect to relax and enjoy a cool drink.

With the beach located only 60 metres down the path (with no road to cross!) you can enjoy and make use of the complimentary kayaks, snorkelling equipment, chairs, and beach towels. The location is perfect to watch a peaceful sunset and the whales (during our winter season).

Cooks Oasis Holiday Villas is a great choice for families or small groups travelling together including wedding parties, and is well suited for children with its family oriented environment.
