

## WET N WILD

Aitutaki

Wet & Wild offers a good range water activities to suit your holiday needs. They have half or full day private charters, kiteboarding lessons and water taxi services to take you to the stunning offshore islands scattered in Aitutaki's turquoise lagoon. Your Aitutaki adventure starts here.

Private charters can be tailor made to offer any of the following activities wakeboarding, tube riding, water skiing, deep sea fishing, spear fishing, snorkelling, island-hopping, sightseeing, whale watching (during season) and swimming.

Charters include all necessary equipment and fishing trips include fishing gear, and depending on the type of charter comes with or without lunch. Lunch is barbequed fish with a variety of local salads made with the freshest of ingredients.

If you're a keen fisherman, Aitutaki's lagoon is a great place to tackle or take a water taxi to one of the secluded islands (such as Honeymoon Island or One Foot Island) and do nothing but relax on the beach and get a suntan before cooling off in the water.

They also offer kiteboarding lessons, and Aitutaki is one of the best locations for it, with ideal winds, acres of sandy flats and nice shallow waters, you are guaranteed to have a blast.

Whether it be fishing, kiteboarding or relaxing on a remote island for a day, Wet & Wild has got it all. These tours are a great option for families, a group of friends and keen explorers.
