

WET N WILD

Aitutaki

Wet N Wild offers a good range water activities to suit your holiday needs. They have half or full day private charters and water taxi services to take you to the stunning offshore islands scattered in Aitutaki's turquoise lagoon. Your Aitutaki adventure starts here.

Private charters can be tailor made to offer any of the following activities: wake boarding, tube riding, deep sea fishing, spear fishing, snorkelling, island hopping, sightseeing, whale watching (during season) and swimming.

Charters include all necessary equipment and fishing trips include fishing gear. Full day charters also come with lunch—barbequed fish with a variety of local salads made with the freshest of ingredients.

Aitutaki's lagoon is a great place to tackle or take a water taxi to one of the secluded islands (such as Honeymoon Island or One Foot Island) and do nothing but relax on the beach and get a suntan before cooling off in the water.

Whether it is fishing, snorkelling or relaxing on a remote island for a day, Wet N Wild has got it all. These tours are a great option for families, a group of friends and keen explorers.
