

MANGAIA VILLAS

Mangaia

Welcome to the island of Mangaia, one of the oldest islands in the South Pacific. Here you will find incredible serene beauty from the rugged coast line to the lush green interior.

Perched on a secluded pocket of ancient rock, on the north-western shores of Mangaia, you will discover Mangaia Villas. Each Polynesian, fully self-contained villa is of supreme quality featuring a gentle sloping thatched roof, authentic Mangaia limestone exterior, pine T&G interior ceilings and stunning coconut and hardwood floors.

Each of our six one-bedroom ocean-front villas provides pristine, unspoilt ocean views which melt away into beautiful evening sunsets. Your veranda is the perfect place to watch local fishermen on vakas (canoes) and spectacular whale watching during their common migrating season (July to November).

Our villas are fully equipped with modern conveniences including complete kitchen facilities, tea and coffee making facilities, full mosquito screening and ceiling fans.

Daily tropical breakfasts are included in the room rate. Lunch and Dinner can be provided upon request at an additional fee.

The property is located a stones throw away from the Mangaia Harbour, 15 minutes walk from Oneroa township and 20 minutes drive from the airport.

Rental motorcycle scooters or vehicles can be arranged upon request.

The villas have a clean, fresh and plentiful supply of water which we capture in our rain water storage tanks. Cold and hot water is always available.

There is much to discover about Mangaia, many places of interest visit and should you choose to venture out, though you may explore on your own, one should arrange for a Tour or two during their stay including a Cave Tour and Island Tour which we will gladly arrange for you upon request.
