Aitutaki

Tamanu Beach is a superior boutique resort located in Amuri Village, which is on the western coast of the island. The Resort is privately nestled amongst tropical gardens and gently swaying palm trees, with a mountain view backdrop and stunning views of the lagoon and beyond.

The resort is proudly family owned and operated, and offers a truly wonderful experience combining a blend of culture, tradition, superb beachfront location and friendly local Cook Islands hospitality.

Located only 5 minutes from the Airport and 10 minutes from Arutanga township, the resort has all the facilities one expects of a superior resort. From the beautifully appointed Villa/Bungalow accommodation to the private beach and the Tamanu Restaurant onsite, this resort is sure to impress.

The resort consists of 23 stylish bungalows and villas, each boasting Polynesian inspired décor and modern amenities. There are five room types to choose from, ranging from the comfortable Garden Bungalows to the private One Bedroom Bungalows and Tamanu Beachfront Villa. All rooms feature high ceilings for good air-flow, ceiling fans and air-conditioning, premium bedding along with the necessities including tea & coffee making facilities, private bathrooms and an open deck with outdoor furniture to relax on and enjoy the view.

The One Bedroom Bungalows are stand alone spacious rooms that enjoy beautiful views of the lagoon and sunsets from their decks. They are set on the main entrance side of the property called Manea, and are the best option for families.

The Garden, Lagoonview and Beachfront Bungalows as well as the Tamanu Beachfront Villa are also stand alone and are set on the adjacent wing called Purotu, offering lovely garden and beachfront views. The bungalows feature a studio layout and are the perfect option for couples.

Relax by the pool and enjoy a cocktail or take time to explore the lagoon through a bit of snorkelling, kayaking or swimming. The beach here is one of the best on the island. Visit the resorts' Giant Clam called "Clamentine", which is about 20 years old and rests in the lagoon just in front of the Purotu wing.
