

ETU MOANA BEACH VILLAS

Aitutaki

Etu Moana is an adults-only boutique resort located on the western side of Aitutaki, in the village of Amuri. It is less than 10 minutes from the airport and just five minutes from the main town of Arutanga, offering a peaceful escape while remaining within easy reach of key locations.

The name Etu Moana means "Blue Starfish" in Cook Islands Māori, inspired by the vivid sea stars found in Aitutaki's lagoon. The resort sits on a 1.5-acre beach-front property that stretches wide along the lagoon and narrows toward the roadside. This layout allows most villas to enjoy beautiful lagoon and sunset views.

Each of the eight villas features a traditional-style roof and timber interior, blending modern Polynesian design with a relaxed island aesthetic. All villas share the same spacious layout and amenities, including air-conditioning, a private bathroom with both indoor and outdoor showers, a veranda with outdoor furniture, a kitchenette with tea- and coffee-making facilities, and an in-room safe. The main difference between the villas is their view and proximity to the beach.

Partial Lagoon View Villas are set furthest back and are surrounded by tropical plants. Lagoon View Villas are positioned one row forward and offer partial lagoon views. Beach View Villas are located closer to the shoreline, with wide views of the beach and lagoon. Absolute Beachfront Villas sit directly on the sand, providing uninterrupted lagoon views and direct beach access.

Resort facilities include a swimming pool, a conveniently located pool bar, a small guest lounge, and lush tropical gardens. A complimentary tropical breakfast is served daily as part of the room rate, featuring locally cooked eggs, fresh fruit, and island-inspired breakfast selections, all prepared and served by the team.

The pool bar is open daily with full service, offering a relaxed space to enjoy drinks. The beach in front of the resort is ideal for swimming, snorkelling, or simply unwinding by the lagoon. In the evenings, pathway lighting is softened so guests can enjoy the natural beauty of Aitutaki's star-filled night sky.

Etu Moana offers a peaceful, eco-conscious escape where guests can unwind in comfort while experiencing the island in a mindful and meaningful way.
