

NAVIGATOR BEACHFRONT VILLA

Rarotonga

Muri Lagoon is one of the island's most breathtaking locations, and by staying at Navigator Beachfront Villa, you'll be right in the heart of it. Situated on the northern edge of the lagoon, directly facing a small tropical islet, this is a place rich in history—where legend tells that the seven great canoes once departed the Cook Islands for Aotearoa. It is the perfect setting for your next holiday with family or friends.

The 2 Bedroom Villa is a spacious, private, two-storey retreat with an open-plan design. Upstairs are two open-plan bedrooms accommodating up to five guests. Both bedrooms are air-conditioned and feature their own ensuite bathrooms. The open layout allows you to fall asleep and wake up to stunning, uninterrupted views of the lagoon.

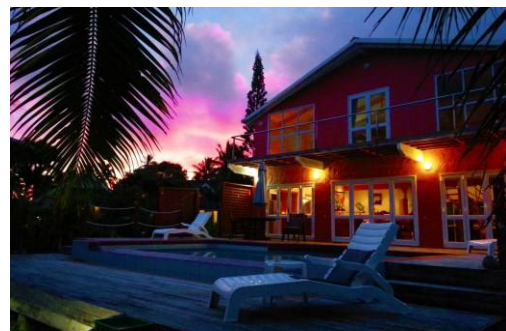

On the ground floor, a generous open-plan space combines the living room, dining area, and fully equipped kitchen. Open the large windows to invite in the fresh ocean breeze, then step outside to the idyllic pool area, located just steps from the beach.

Adjacent to the villa is the 1 Bedroom Studio, ideal for a single guest or a couple. The studio includes a kitchenette, private decking, bathroom, and a mini spa pool—perfect for a relaxing stay.

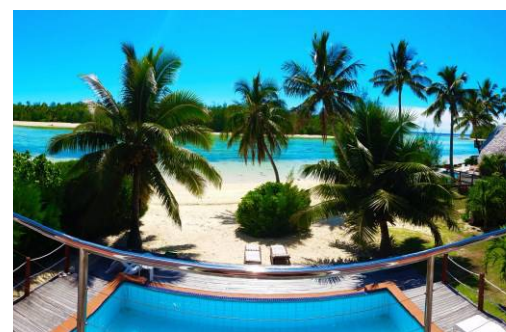

Several restaurants and grocery stores are within easy walking distance, giving you the option to cook at home or enjoy dining out nearby.

Both the villa and studio feature modern interiors and contemporary facilities. Explore the crystal-clear lagoon using the provided snorkelling equipment, or kayak across to the nearby islet. In the evening, fire up the barbecue and unwind while taking in the peaceful atmosphere and stunning surroundings.

Please note that this property is not suitable for weddings or events.
