

ARIKI ADVENTURES

Rarotonga

Passionate about the environment and sustainable tourism, multi-award-winning Ariki Adventures is a highly regarded Cook Islands operator, known for its eco-focused sea scooter and snorkelling tours in Rarotonga's stunning lagoon. Professional guides, quality equipment and responsible practices combine to create safe, engaging ways to explore the vibrant underwater habitat.

All tours begin with a comprehensive safety briefing and gear fitting, including mask, snorkel and fins, with sea scooters provided on select tours, before heading out into the water. Guests are accompanied by experienced local guides with a strong focus on safety throughout the experience.

The **Premium Sea Scooter Turtle Tour** is an iconic experience and one of Rarotonga's most loved activities. Glide effortlessly alongside Green and Hawksbill turtles in their natural environment during this unforgettable tour, which typically lasts around two hours and is suitable for most ages.

The **Onu Free Swim Turtle Tour** is designed for confident snorkellers who prefer to explore without sea scooters, while still enjoying the thrill of swimming with turtles in the wild.

For those seeking adventure beyond the lagoon, the **Shipwreck Sea Scooter Ocean Tour** ventures into the open ocean to explore the historic RMS Maitai Shipwreck.

Private Tours are also available, offering a more personalised and exclusive experience.
