

THE GRAND RESORT

Rarotonga

Offering a relaxed take on modern comfort in the Cook Islands, The Grand Resort is an adults-only, all-suite property designed with space, privacy and ease in mind. With a focus on thoughtful, easy going experiences—from rooftop sunsets to relaxed poolside moments—it offers a stay that feels both comfortable and effortless.

All rooms are suites, giving guests more space to unwind. There are nine suite styles to choose from, including lagoon-view balconies, open-plan layouts, swim-up terraces and private sky pools. Each suite is designed to be welcoming and practical, with enough room to settle in and enjoy at your own pace.

Dining at the resort is equally laid-back yet refined. Beachfront restaurant 'Blu' offers all-day dining with wide views across the lagoon, while the rooftop 'Skybar & Sky Lounge' provides a relaxed setting for sunset cocktails and light bites. For something more casual, 'Dolce Café' serves fresh coffee, pastries and light meals by the water, and 24-hour in-suite dining ensures guests can enjoy a meal in the comfort of their suite at any time.

At the heart of the property, the 'Grand Canal Pool' stretches along the lagoon, offering plenty of space to swim or simply unwind by the water. In the evenings, it becomes a focal point for the resort's fountain show, adding a gentle sense of occasion to the night. Guests can also make the most of the lagoon with complimentary snorkelling gear, making it easy to explore the marine life just steps from the resort.

At The Grand Resort, the focus is on making things easy. In-suite technology helps simplify everyday comforts like dining and entertainment, while the team is on hand to assist where needed. Selected suite categories also include butler service.
