Welcome to Heritage Auckland.

EMBRACE GOOD FOOD AT HECTORS

Heritage Hotels have a renewed focus on providing healthy and sustainable food. Hectors Restaurant at the Heritage Auckland is leading the way, specialising in the use of plant based and locally sourced foods in its contemporary New Zealand cuisine. Start the day at Hectors with a breakfast selection from New Zealand's first hotel Raw Bar, a popular part of our extensive breakfast buffet.

Or unwind at the end of a productive day with Hectors dinner service featuring a number of unique plant-based dishes that have earned Hectors a New Zealand Vegetarian Society accreditation. It is the first hotel restaurant in the country to achieve the accolade.

RELAX AND PLAY, YOUR WAY

Whether you like to exercise, play or be pampered, Heritage Auckland has plenty to offer onsite. Head to the rooftop for stunning views of the harbour and take a dip in our heated swimming pool.

For more rigorous activity, swim lengths in the indoor lap pool or work out in one of our two well-equipped gyms. We also have an all-weather floodlit tennis court where you can challenge your friends, family or colleagues. The sauna and gift shop are perfect for those seeking seriously therapeutic activities.
